August 25, 2008

Dear Ms. Dean:

Subject            2003 Reclamation and Water Management Plan  
Addendum 1 to Appendix G, Surface Drilling activity within Kennecott  
Utah Copper, Bingham Canyon Mine Permit M0350002

In keeping with the protocol established for KUC surface drilling operations that are conducted within its permit boundary but outside of areas disturbed by other mining activities, KUC is providing the Division with advance notice and a description of drilling operations currently planned for the remainder of 2008. KUC asks that this information be added to the 2003 Reclamation and Water Management Plan as Addendum 1 to Appendix G. By November 30 of 2009, KUC will provide updated information regarding the status of the drilling and reclamation, which also will be incorporated into Appendix G. **Please consider this document as confidential information as it relates to the location, size and nature of the mineral deposit.**

If you have any questions about this submittal please contact me at 569-7427 or Glenn Eurick at 569-6050. If you have detailed questions regarding the content of Addendum 1 please also feel free to contact Duane Olson at 801.554.9925 (cell) 801.204.3408 (office), or contact Joey Wilkins at 520.440.4000 (cell) or at 801.363.5868 (office).

Yours sincerely

Chris Kaiser
